

# ***Can you help?***

During the previous eighteen months or so, I have received a lot of materials for future Magazines. This is all thanks to you, our many Members, who have been generous in supplying a wide range of interesting stories, anecdotes and photographs.

Earlier this year, an ex-pupil of Selhurst Girls' School was good enough to send me in the post for inclusion in future Magazines, a parcel of material, mainly covering the period 1956-1962. However, in spite of some very rigid controls in how materials are filed and stored when received by me, regrettably the materials have gone astray and I am seeking help in locating suitable duplicates which you may have in your possession.

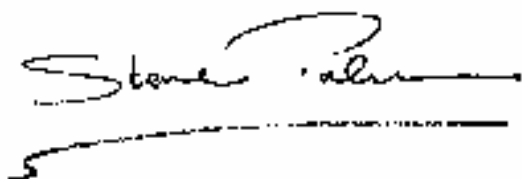

I am therefore anxious to try to replace (permanently or temporarily) the following items:-

1. Girls' School PANORAMIC photographs - July 1957, April 1959 and June 1961
2. Girls' School magazines - Summer 1956, 1957, 1958, 1959, 1960, 1961 and 1962
3. "The Boy with a Cart" programme from 1961/2
4. Girls' School Speech Day programmes - October 1961 and November 1962
5. "The Croydonian" Boys' School Magazine Summer 1972

If you have any of the above that you are either willing to lend for photocopying or to donate, this would be greatly appreciated. Please get in touch with me at:-
