

Dear Editor and all Members

It would indeed be a sad day if the old school building finally succumbs to demolition.

Although scholastic studies will not continue after August 2008, surely some alternative uses could be found for the building?

Perhaps a local entrepreneur who is proud to be a Croydonian could take the site over and convert it into luxury apartments or a business park, splitting it into offices and/or workshops.

With parking spaces a premium, the playground serves the purpose magnificently!

Rather than let the inevitable happen, perhaps OCA Members with businesses or business connections could mention it to their associates who might like to take the site over and turn it into flats, offices or workshops whilst still retaining the original buildings.

Yours faithfully,

**J J Hornby**
